

Lighthouse Holiday Kids Adventure Parent Information

About Us

Lighthouse Holiday Kids Adventure (HKA) is run as an initiative by Lighthouse Kids, the children's department of Lighthouse.

The program is directed by Elise Hellyer. Elise has a Bachelor of Education from the University of Wollongong and worked as a Primary school teacher before coming on staff at Lighthouse.

HKA is a not for profit program with all money from registrations going back into the running of the program.

Safety

Your child's safety is our top priority. All of the staff who work with the children have completed a 'Working with Children Check' and been instructed on our child protection procedures.

When the children leave the premises they wear yellow singlets with the Lighthouse phone number and are under the supervision of the leaders at all times.

Cost

The cost of our program is \$30 per day / per child which includes the activity.

Hours

Drop off is between 8:30-9:30am, pick-up is between 4-5pm. Each child picked up after 5pm will incur a \$10 late fee that must be paid upon departure. If you would like to drop off your child late or pick them up early please speak to one of the leaders to see if we can help you arrange this. (It's usually fine, the only complication that arises is when you want to arrive or leave while we are still out on the excursion.)

Transport

When the children leave the premises we travel on our own 12 seater bus and a hired 22 seater bus.

Registrations and Bookings

Our program is promoted mostly through word of mouth and by flyer advertisement in some local primary schools.

A deposit of \$20 per child, per day is required when booking your place. Bookings must be made through Lighthouse reception in person or by phone. The deposit is non refundable and cannot be transferred to another child or day. Pay remaining \$10 when dropping off your child.

What to Bring

Please make sure that you provide your child with morning tea, lunch, afternoon tea and plenty to drink for the day. Unless otherwise specified we do not provide food during the program. If your child needs more to drink we have cold water available from the tap however we are unable to supply this while we are out on excursions so make sure you provide them with a drink bottle.

Other Lighthouse Kids Programs

Station Mums Social runs Tuesday mornings 10:00am – 11:30am during school term. This is an opportunity for parents/carers of babies and pre-school aged children to meet others of similar age and life stage. We aim to provide friendship, fun, socialisation and support for adults and children in a caring environment.

Lighthouse also runs kids programs at our 10am & 6:00pm *Sunday Church Services*. These programs include biblical teachings presented to the kids in a fun and interactive way with, games, prizes and music.
